***ROYALTY FREE** is an industry term which refers to fixed price products based on the image size. Limitations of use (relating to web, print & multi-media) are stated below. **ROYALTY FREE** images are not bound by exclusive rights and are less expensive to use than **RIGHTS MANAGED**. Therefore, a particular **ROYALTY FREE** image is more likely to be used by multiple entities owing to these factors.

TERMS OF PURCHASE for STOCK IMAGE FILES images:

For Web Usage:

Image files cannot be re-sold or transferred, nor can the web product you create with the image/s be re-sold without prior permission and additional fees.

Image files can be used on one (1) domain only (www.yourdomainname.com) but can be used on as many web pages as desired within that domain.

Image files can be altered if necessary, but cannot be included in any web application that is resold without prior permission and additional fees.

For Print Usage:

Image files cannot be re-sold nor can the print product you create with the image/s be re-sold without prior permission and additional fees.

Print Image files are a higher quality/resolution for use in printed matter, and are saved at the highest quality JPEG with a resolution of 300 dpi. Different file types and higher resolutions are available on request.

Image Files used in print applications such as magazine, brochure, catalog, billboard, post card, newsletter, flyers, signage, displays, annual reports, and the like is permissible for promoting image purchaser's advertising, editorial, and promotional purposes that do not include sale or resale of said print applications

Image files can be altered if necessary, but cannot be included in any print application that is resold without prior permission and additional fees.

For Multi-Media Usage:

Image files cannot be re-sold nor can the multi-media product you create with the image/s be re-sold without prior permission and additional fees.

Image Files used in multi-media applications such as PowerPoint presentations, DVD, video, film, software, infomercial, news & editorial, streaming media, and the like is permissible for promoting image purchaser's advertising, editorial, and promotional purposes that do not include sale or resale of said print applications.

Image files can be altered if necessary, but cannot be included in any print application that is resold without prior permission and additional fees.

RIGHTS MANAGED PRICING by size. All resolutions are 300dpi

****RIGHTS MANAGED** is an industry term which refers to images variably priced depending on use & size. Limitations of use (relating to web, print & multi-media) are stated above. **RIGHTS MANAGED** images are typically not bound by exclusive rights unless you contact us and we agree to arrangements for exclusive rights. **RIGHTS MANAGED** images are less likely to be used by multiple entities.
